Aarohan classes started in June 2011 with the aim of providing quality and affordable coaching for competitive examinations. We strongly believe that success in the Civil competitive examinations depends on intelligent hard work with proper planning. Information technology and internet has made competitive examinations a level playing field. Today there is no need for students to leave their home and go to a particular place to study competitive examinations as all the resources are available at the click of a button. The vision of Aarohan Classes is to help competitive aspirants realize their dreams by providing quality and affordable competitive examination coaching.
